

Christmas greetings from Steve & Kathryn

Looking back over the last year it is amazing to think about how much has happened and how great God is; providing everything we need.

Around Christmas last year we made the decision to move back to Coventry and gave our tenant notice. Very soon after that decision was made God provided Steve with a job as an IT Manager for the UK office of CFAN (Christ for all Nations) in Halesowen, Birmingham. Kathryn continued to work as a Freelance Graphic Designer and then in April got a job working in the Alumni Relations and Development office at Warwick Business School (as well as continuing working as a designer). Both of us are really enjoying where God has placed us.

In April we re-visited the Logos II, then moored in Croatia, to run a holiday club for the children who live on board. We had a great time meeting up with old friends and with the children.

The summer saw us running the year 5-6 children's club at Cheltenham Bible festival. We had around 70 children for 2 sessions a day for four days. We had a great time working with our team and the children were very attentive.

When we left the Logos II in September 06, we felt we didn't want to close the door on our involvement with OM and so we agreed to be OM representatives for the Coventry area. We are currently in the process of lining up meetings with churches for the New Year as well as getting more involved in our church, Hillfields.

Well that's a very brief look back over the last year so all that's left to say is may God bless you this special Christmas time and may you know God's peace in the year ahead.

Much love Steve
& Kathryn
