PRAYER LETTER NO: 1

After this I looked, and behold, a great multitude that no one could number, from every nation, from all tribes and peoples and languages, standing before the throne and before the Lamb, clothed in white robes, with palm branches in their hands, and crying out with a loud voice, "Salvation belongs to our God who sits on the throne, and to the Lamb!"

Revelation 7: 9 & 10

**What a motivation for world mission's found in the book of Revelation!** One day all nations of people will worship God from all tribes and languages!

Hello dear friends

This will be the first of many prayer letters as we embark on a new adventure for and with God. In this letter we will try to outline God's call to us and our future for the next two years and excite you to pray for us and support us if you can.

## Our call

For many years now we have been excited by the ministry of OM ships. It seemed like a fantastic opportunity to share the good news with people all over the world and gain much experience. Now that chance to join in this amazing ministry has come and we feel strongly that the Lord is calling us in this way.

## Travelling

We will be leaving England on the 20th August to go to Holland for our orientation conference. On September 1st we will be flying out to Port of Spain, **Trinidad**, where we will be spending two weeks in pre-ship training before joining the Logos2.

## What will we do?

Each volunteer on the ship has a job they do during the day (or night!). Imagine how many different jobs there are on this floating village!

We are not sure yet what job we will have, this may be something to do with our qualifications or experiences but it may well be something completely different like scrubbing the decks!!!

The general pattern of a week is five days of work in our area of responsibility, one day of ministry which may involve school and prison visits, conferences or preparation and one day off.

## How will we be financed?

We will be relying on friends and families to support us in our work. If you feel that you would be able to help us then please get in contact and we can let you know how.
